FIFTEEN CENTS

Antioch art fair promises to be best ever

An "all encompassing summer festival" is one description given the Antioch Chamber of Commerce and Industry's Arts and Crafts Fair and Antique Show.

The seventh annual event is "designed to attract people to Antioch and create fun, wholesome activities for the family," said William Schroeder, fair committee chairman and publisher of the Antioch News and

Burglars steal five handguns

Burglars who broke through three concrete block walls to break into a gun store in Antioch just missed a 400 amp electrical line which would have electrified them.

That statement was made by Phil Adesko of Adesko Electric on Rte. 173. His store is connected to the Kodiak Gun 'N Bow Sport Shop, from which the guns were taken.

After entry was gained through an overhead door, burglars broke through three concrete block walls.

Five hand guns and parts of another were taken as well as a small amount of cash.

Some of the guns were inoperable and most were in the shop for repairs, said Police Chief Chuck Miller.

POLICE WERE NOTIFIED of the incident when an alarm went off in the gun shop.

The stolen cash was taken from a Firestone dealer whose building is also connected to the gun and electric shops.

The office area of some of the connected buildings were ransacked.

Any possible suspects are being investigated, Miller said.

Antioch Reporter.

OVER 130 ARTISTS have entered this year's fair. New Jersey will be the furthest distance traveled to participate. Most entrants are from Antioch, Mundelein, Waukegan, Chicago and Wisconsin.

"Artists consider it one of their better shows in this area," Schroeder said. "I think it's the biggest outdoor art show in the country."

THE FAIR DAY begins at 8 a.m. July 8 with a pancake breakfast served until 11 a.m. It will be held on Toft Rd., adjacent to the fire department, between Orchard and Lake Sts.

The cost for the breakfast is \$2.50 for adults and \$1.50 for children. Tickets can be purchased from Chamber members or at the Chamber office, 880 Main St. behind the police station.

They're biting

Lake Catherine, Lake Marie and Channel Lake are the hot fishing spots this week, according to Ed Sorenson of Sorenson's Bait Shop, Antioch.

He said he is hearing many reports of northerns being caught accidentally while fishermen are fishing for crappies, bluegills, etc.

Minnows, crawlers and waxworms continue to be the best bait, Sorenson said.

With the motorboat traffic on the Chain during the weekends, Sorenson suggests the serious fisherman fish during the week when his concentration will be better.

At 11 a.m. the art fair will begin and beer, brats and hot dogs will be served beginning at noon. The fair will last until 6 p.m.

Bubble gum and pie eating contests will be held and prizes will be awarded.

OTHER FEATURES during the day include a disco demonstration, a magic show, puppet show and excerpts from Pippin presented by the PM&L Theatre players. A band will provide music during the day.

Fire department water fights will begin at 6 p.m. and the winners of a fundraiser will be announced.

The fundraiser will be one of the fair's

highlights, said Dixie Sparks, executive secretary of the Chamber.

Prizes to be awarded are a half steer of beef, a whole hog and a case of chickens. The beef and hog will be cut, wrapped and frozen.

THERE ARE SEVERAL prizes totaling \$550 which will be given away in art and craft categories.

The Best of Show award is \$250 and there are three prizes each in the categories of arts and crafts. First prize is \$75, second \$50 and third, \$25.

The antiques will not be judged.

Last Year's Best of Show award went for a painting of a girl seated near a window. Other winning entries included a stained glass window and a quilt.

ALSO SHOWN AT the fair were hand puppets, miniatures, pewter work and ecology boxes.

Other entries were hand carved wooden duck decoys, jewelry, children's three-dimensional portraits, taxidermy and shadow boxes.

Football camp begins July 9

Antioch area high school students will have the opportunity to attend the Antioch Morning Football Camp.

The camp will concentrate on fundamental game skills, offensive and defensive play calling and methods of conditioning. The fee for the three week program is \$15.

Any questions should be directed to Steve Wapon, Antioch High School, 395-1421.

The program will be held Monday thru Friday, July 9 to July 27 and will meet 15 times.

The junior-senior session will be held from 6:30-8 a.m. and the frosh-soph session from 8:30-10 a.m.

Students that will be enrolled in any high school this fall may attend.

Equipment needed includes football shoes, workout gear, lock and towel.

Superintendents give reports on contracts, hiring

Teacher contracts have been ratified in two of the three area school districts.

Grade School Supt. Donald Skidmore described his district's contract situation as "no problem" because teachers have a two year contract.

CONTRACTS ARE STILL being negotiated in Lake Villa, said Superintendent Peter Palombi. "We feel we have plenty of time to...reach an acceptable agreement for both sides," he said.

ACHS Supt. Warren Polley is also negotiating. "I certainly would hope" that contract agreements are reached by fall, he said.

He said that negotiating is "a little later this year" because of uncertainty about "how much money the legislature is going to make available."

ENROLLMENT PROJECTIONS and the staff situation for the coming fall were also discussed.

Skidmore said that projected enrollment for the fall is down, but he is uncertain how many students will actually be in the district when school begins.

THE SITUATION in Lake Villa is different. There enrollment is up about 20 students, Palombi said.

Polley said he is not sure about enrollment for the coming year because it is estimated, but added that over 18,000 people are coming in, which is about the same as last year.

All three districts have vacancies yet to be filled for the coming semester.

THERE ARE TWO math positions at the junior high level as well as science and learning disabilities openings in Skidmore's district.

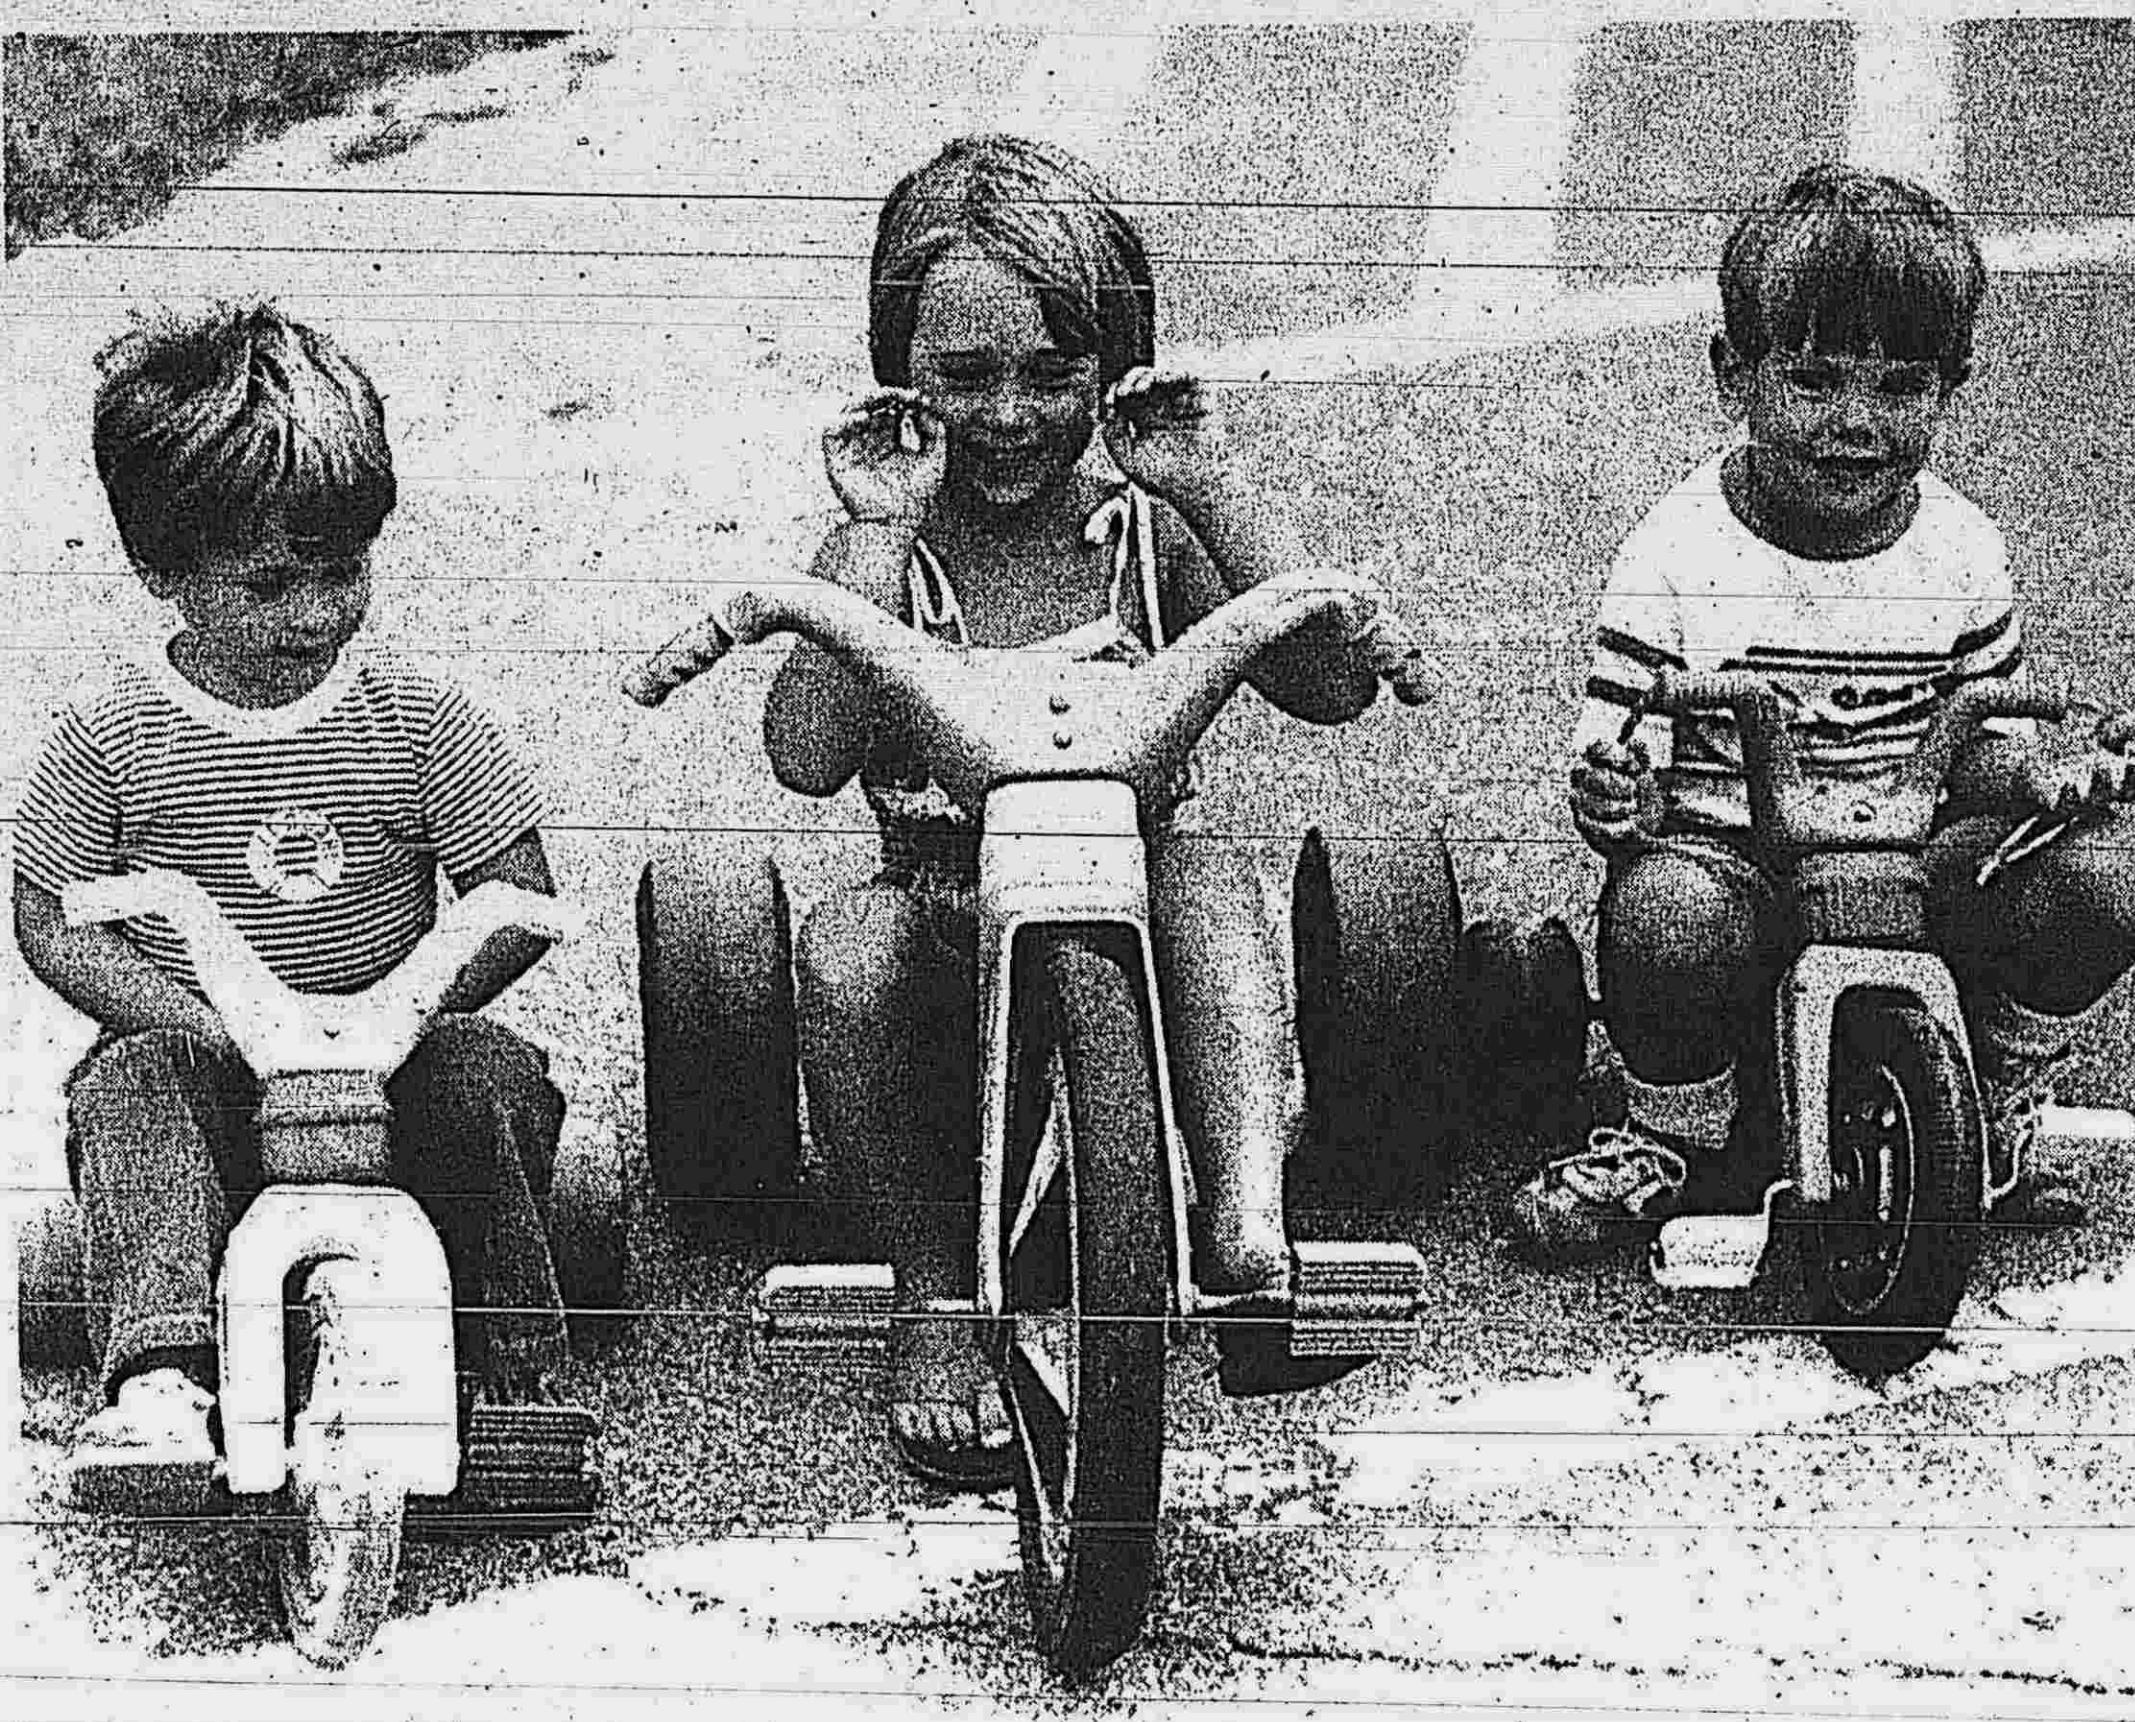

There is also a part time opening in physical education which will be split between the junior high and elementary schools, Skidmore said.

Palombi is currently looking for a replacement for a math teacher.

THREE VACANCIES EXIST in Polley's district due to job turnover, not new positions, he explained.

The addition to the Joseph J. Pleviak School is supposed to be completed by the third week in August, according to the contract.

"We're keeping our fingers crossed," Palombi said, adding that they are counting on the use of the classrooms in the new addition this fall.

ON YOUR MARK — Freddy Skvarce, Ginger Skvarce and Derek Lang await the signal for the Big Wheel race to begin.

Ginger came in first. The race is part of Antioch Parks and Recreation's summer program.

Lunch fees may go up

In-service teacher training sessions for improvement of instruction have been arranged, according to a report given at the Antioch Community High School Board of Education meeting.

Over 20 teachers have volunteered to participate in the sessions planned during September and October.

Gary Allen, assistant director of curriculum, made arrangements for the four sessions with Northern Illinois University Professor Nolan Armstrong.

IN OTHER ACTION the board accepted the resignation of Steve Miklautsh, social studies teacher and coach, who is moving from the area.

The use of high school facilities as an extension site by the College of Lake County was also approved.

Business Manager Kenneth Wierschem received the board's approval to contact the Food Service Section of the Illinois Office of Education to request that the cost of the Class A school lunch be raised from 55 cents to 60 cents for the 1979-80 school year.

THE BOARD ALSO voted to continue the practice of issuing district residents age 62 or older passes for all local school sponsored activities.

A preliminary summer school report indicated that 411 students are enrolled in summer school, including 149 in Driver Education.

Fitness program explained

At DJ's Fitness Center, we teach you to use your head about your body, a center spokesman said. The center will show how to make the most of their exercise equipment so it makes the best of your body. The center analyzes each individual's specific needs and goals, then designs a physical exer-

cise and sensible eating program.

If the individual is basically healthy and truly sincere in his desire to get into shape, "we have the facilities to make your dreams come true," a spokesman said.

"We also feature separate racquetball memberships," he added.

HIGHEST HONOR — Highest award for a volunteer in the Girl Scouts recently was presented to Helen DeVries, left, of Antioch by Linda Molidor, president of the Lakeview Girl Scout Council in ceremonies before 200 volunteers at a dinner in the Northern Chalet, Libertyville. DeVries was recognized for her 23 years of work in the Girl Scouts during which time she organized the program in Antioch and has taken on all levels of leadership in the Girl Scout program.

Students are on honor roll

Three graduates of Antioch High School qualified for the dean's honor roll during the spring quarter at the Milwaukee School of Engineering.

Ronald O. Gossman, son of Mr. and Mrs. Robert Gossman, in architecture and building construction engineering technology; Joseph A. Millhouse, son of Mrs. Joyce Risch, in electrical engineering; and Tracy B. Sodman, son of Mr. and Mrs. Albert Sodman, in computer engineering technology.

To be named to the Dean's Honor Roll at the Milwaukee School of Engineering, a student must maintain a grade point average of 3.2 or higher out of a possible 4.0 during the quarter.

A total of 328 students qualified for the dean's honor roll during the 1979 spring quarter, and 98 students had a grade point average a 3.7 or higher for high honors. These students represent a cross section of those enrolled in electrical and mechanical engineering, in the

engineering technology curriculums, and the industrial management programs.

The Milwaukee School of Engineering is a member of and is accredited by the North Central Association of Colleges and Secondary Schools.

Rescue squad gives 39 years of service

The Antioch Rescue Squad service, founded in 1940, continues providing free emergency service to the community today.

In 1940 it cost about \$2,000 to place its first unit in service and equip it with the necessary items to provide emergency care.

In spite of the amount, all the funds were raised and people donated their services to

make the squad become a reality. Donations are still the squad's only source of revenue.

IN 1978 IT cost over \$45,000 to purchase and equip one squad.

Even though everything else has increased in cost many times since 1940, the men who operate the squad are still unpaid volunteers.

"We are indeed fortunate to have such a

dedicated group of people operating our squad," said John B. Fields Chairman of the Antioch Lion's Club Rescue Squad Fund.

"They are all more than willing to give of themselves, in time and effort, in order to bring you the finest in emergency medical service," he said.

"THE SQUAD IS on call 24 hours a day, 365

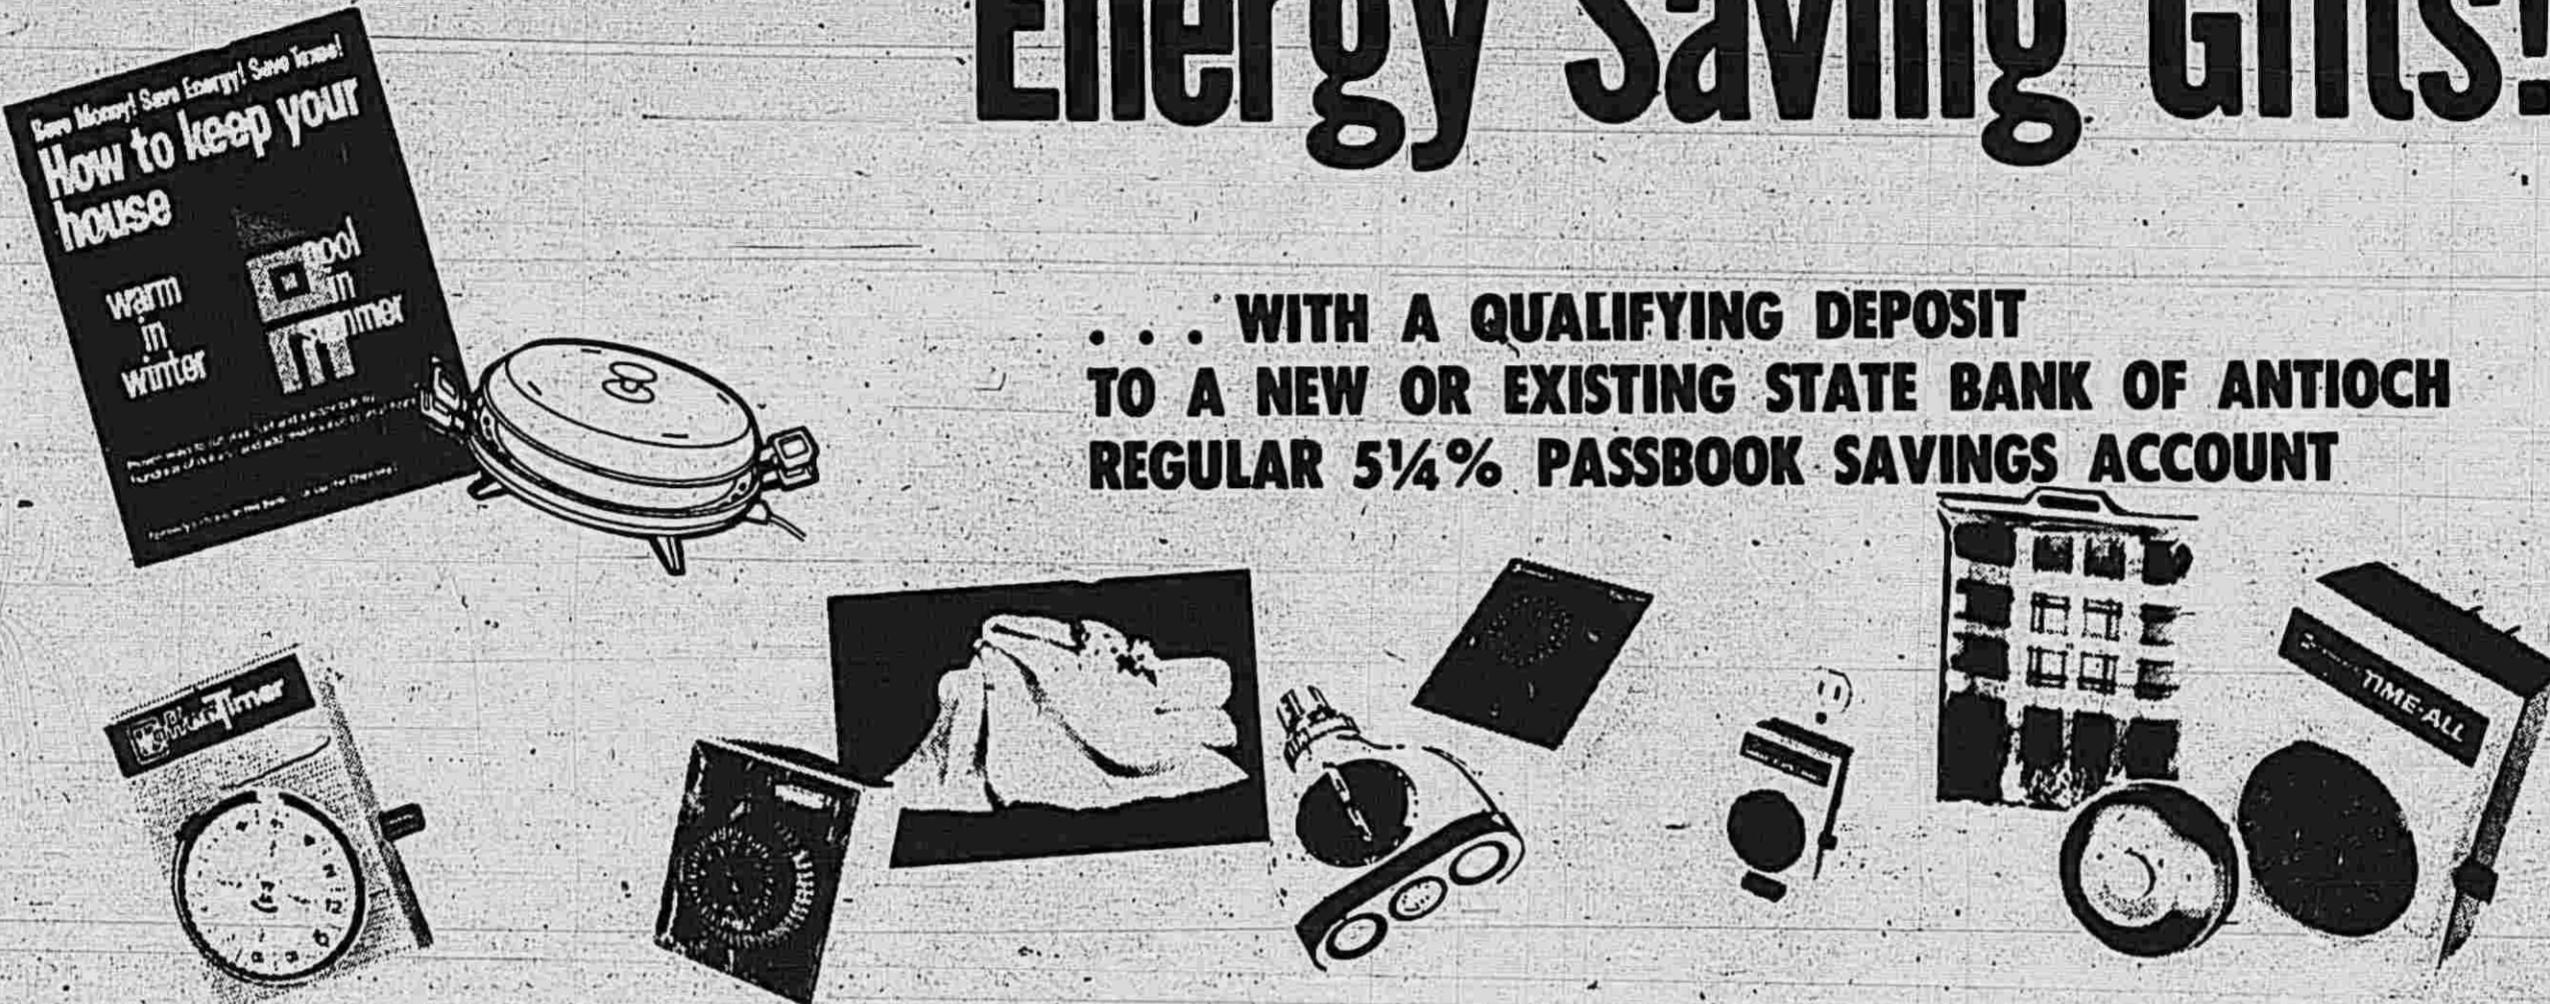

days a year; and I might add, with no charge for their services," Fields said.

In the annual appeal for funds, which are the squad's only source of revenue, Fields said, "They do need your financial help to improve current service and to replace outdated equipment."

AARP held installation dinner

by BERNICE BERNAU

Members and guests of the AARP Antioch Chapter 387 held their installation dinner at the Swedish Glee Club in Waukegan on June 26.

Deacon Frank Colette of St. Peter's Catholic Church in Antioch said the opening and closing prayer. He was so impressed with the club that he said he was going to join.

Mr. and Mrs. Ernest Kolley of Geneva were guests. He is the AARP Assistant State Director and he was the installing officer.

SWORN IN WERE Mrs. Esther Aiani, president; Mrs. Dolly Spiering, first vice president; John Wenclawski, second vice president; Miss Helen Halka, secretary; and Mrs. Mae Keefer, treasurer. Mrs. Frances Winiecki and William (Bill) Tomasik were installed as three year board members.

Mrs. Bernice Bernau was appointed public relations chairman. Mrs. Francis Tomasik, registration chairman. Mrs. Winiecki, historian and Mrs. Ann Petrisko, name tags chairman.

Mrs. Aiani was presented with a handmade Bradbury crystal bell for her bell collection and a monetary gift, in appreciation for her services to the club for a "job well done."

MRS. IRENE DANIELS was presented with a certificate of appreciation from the AARP for her 1,000 hours of volunteer work at Downey VA Hospital in North Chicago. Mrs. Spiering also received a certificate for her 12 years of volunteer work at the Antioch Thrift Shop.

Mrs. Wieniecki received her certificate of appreciation for her work as public relations chairman and historian for the AARP Chapter 387.

Wenclawski was also given a certificate for his work as legislative chairman. An article in the June Modern Maturity mentioned his work with the Postal Service. He proposed an expanded zip-code system to improve Postal Service efficiency by specific areas within each post office zone.

THE ANTIOCH Chapter of AARP will be host club for the Bi-State Officers Club on July 20 at the Country House Restaurant in Antioch, starting at noon. Any member of the club who would like to attend is asked to call Frances Tomasik or Mrs. Aiani to make their reservations.

Cost for the luncheon is \$4.75. There are 12 clubs in the group and all officers will be giving reports.

Frank Krantz, Bill Tomasik, John Brennan, Clarence Spiering and John Wenclawski were selling tickets for the Antioch Arts, Crafts, Antique Fair and Community Summer Fest to be held on Sunday, July 8. They sold 120 tickets to their members. The fair is sponsored by the Antioch Chamber of Commerce and Industry, of which the AARP is also a member. There will be three prizes awarded that day. First prize is a one-half steer, cut, wrapped and frozen; second prize, a whole hog and a third prize, a case of chickens. Tickets are \$1 each.

Glen Peterson reminded the members who signed up for the trip to Galena on July 10 that they should be at the watertower in Antioch at 5:45 a.m. to be ready to leave promptly by 6:00 a.m. After visiting the shops in Galena they will have lunch at Robert's Smorgasbord in Dubuque, Iowa.

THEY WILL TAKE a boat ride and then head for home. A full day is planned. They have a full bus load, but if you would like to be put on a waiting list in case there is a

cancellation, call Mrs. Aiani or Peterson.

Mrs. Aiani is calling a board meeting on Friday, July 13 at her home at 1:30 p.m.

June 26 was Dolly Spiering's 80th birthday and in honor of the occasion her husband, Clarence, purchased a decorated cake for everyone there to enjoy. Everyone sang "Happy Birthday" to her. Dolly said one of the advantages of being 80, is that you have the excuse for forgetting to do things. Maybe being active is what is keeping her young. She and her husband went on a tour of Australia this past winter. Her daughter, Dorothy Leable and her husband, Lloyd, were guests at the occasion.

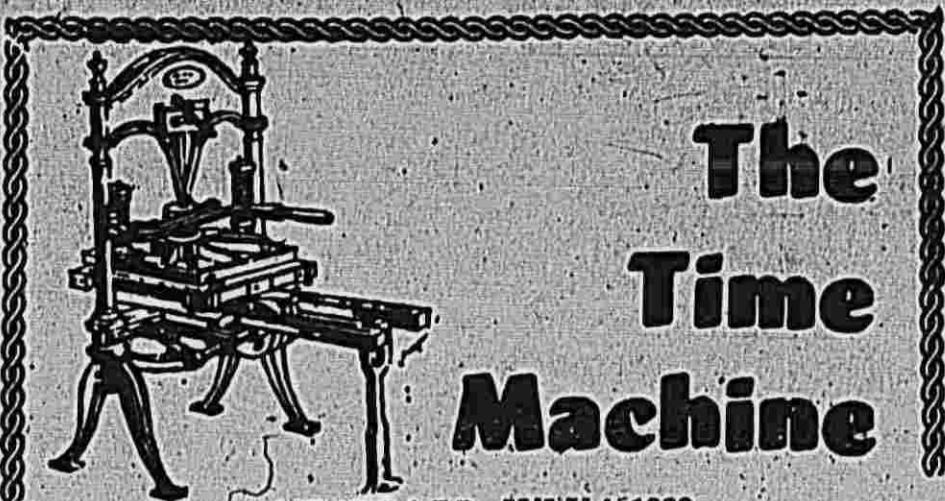

Mrs. Aiani's two daughters, Mrs. Elvera Hinkle and Mrs. Esther Behnke were also guests that day. A "Snow-ball" dance after the lunch ended the day's activities.

OVER 100 men and women attended the club's annual picnic at the Lake Villa Township Park on Thursday. Brown's fried chicken, potato salad, small ear of corn and a hot apple pie was enjoyed by all.

Everyone received three cans of Royal Crown Cola, Pepsi Cola and A & W root beer that was donated. The soda was given for game and attendance prizes, also. The Spierings passed out candy, again, celebrating Dolly's birthday.

The chapter will not meet during July or August, but will resume in September. They meet at St. Peter's Catholic Church in Antioch on the second and fourth Tuesday of every month.

Members have to belong to the National Association before they can be eligible to join the local chapter. There are many advantages in belonging to the AARP. If you aren't a member, it may be worth your while to join.

50 YEARS AGO: JULY 4, 1929

"Let there be light," said Frank R. King, former mayor of Antioch, chief exponent of a "white way," and proprietor of the drug store unique. King has repeated, reiterated, yea, he has sung the song of light for years — but to no avail toward bringing to realization any dream of an ornamental lighting system for the town. Now — King's drug store has its own private system of floodlights to illuminate the building. Look at the King building tonight — it's beau-tee-ful.

Next week the News adds to its staff as assistant editor and feature and department editor, Miss Agnes Biensang, a Wisconsin young woman of sterling worth and more than ordinary ability in the journalistic field.

Gov. Louis L. Emmerson has just affixed his signature to the bill which increases the speed limit of automobiles of the pleasure type five miles an hour or at a limit of 40 miles.

As the new paper money, about one-third smaller than the old size currency, is put in circulation starting July 1 the new size is proportionate to its buying power as compared with pre-war prices. Today's dollar has a purchasing power of about 63 cents on a 1913 basis, it is found.

Fred Hamlin is remodeling his garage.

Will the Ladies' Aid society members please remember to furnish two washed floor sacks for the meeting which will be with Mrs. Avery Wednesday afternoon July 10?

30 YEARS AGO: JUNE 30, 1949

Considerable damage was done when some unidentified person exploded a black powder bomb in the rear of the tavern of Charles (Bussie) Keulman, Main St. It blew in the double loading doors of the Reeves drug store next door, demolished 64 windows including the glass skylight and tumbled medicines and other stock off the shelves. Eight windows were broken in the upstairs apartment of the Herman Holbek variety store.

Fortunately Mr. and Mrs. Geo. Borovicka, owners of the drug store were not in their office at the time otherwise they might have been killed. Many customers in the store were shocked by the explosion. Miss Edna Drom, an employee of the store has been bedfast all week because of shock and other employees have been absent. The Waukegan News-Sun said that the bombings bore the marks of the work of John (Blackie) Sullivan, object of several gangland plots. The accusers said he is trying to muscle in on a cut of the gambling profits, but if the bookies were closed, he said there was no object.

Lake Marie was the scene of two accidents this week neither one of which resulted in any fatality. The amphibious plane of C. Schuetz capsized when the pilot neglected to retract the landing gear. The second accident involved two young married couples whose boat upset when they stood up to change places.

Efforts of the Lions Club and the Fox Lake Village Board extending over several years to get a bridge over Grass Lake Channel will bear fruit tomorrow when the bridge will be opened with fitting ceremony at 2 p.m.

Grayslake. Family Outdoor Wed. thru Sat. — James Stewart and June Allyson star in "The Stratton Story," Sun. thru Wed. — Betty Grable starring in "The Beautiful Blond from Bashful Bend."

10 YEARS AGO: JULY 3, 1969

Mrs. Daniel (Angie) Maras, of Antioch, has been named the first place winner in the National Grange Sewing Contest for 1969.

Miss Deborah Strom is one of 56 students who will leave Monday for the fifth annual Augustana College Summer School in Spain.

Fourteen students from Carmel High School from the Antioch area made special honors during the second semester. Mary C. Wieczorek, Jim Griffin, Fred Walpole, Celeste Tischler, William Wolf, Mary Eloise Wolff and Ronald Bitto were on the special honor roll while those making first honors included Judith Hevrdejs, Helen Zeien, Jean Forster, Deborah Larson, Linda Stenzel, Thomas A. Novotka and James Torres.

ANNIE MAE

Your old pal, Annie Mae, gets around, but she has a hard time keeping pace with Dixie Sparks, the action lady at Antioch Chamber of Commerce and Industry. We heard that Dixie has so many new members signed up that a special get-acquainted program will be staged in September — after all the summer hub bub had died down — for new business people.

By the way, I don't intend to do any cooking Sunday, July 8 and you won't have to either if you get over to Toff Dr. for the Antioch Art Show and Summer Fest. I'm going to be up bright and early to see if Don Skidmore, Mark McKinney and Ladd Korecek and their committee can turn out some tasty flapjacks for the breakfast hour. I figure if I eat enough brats at noon I won't have to worry about supper. Watching my figure, you know. There'll be a lot of fingers "in the soup" for the Summerfest lunch. I hear Don Mendrella and Rob White are in charge.

Did I throw you with that Toff Dr. bit? You probably forgot, but that used to be Broadway until the village politics got around to naming another Antioch street in honor of a past mayor. I think it's kind of nice. Sort of hard, though, to remember.

Lots of excitement was shared by Jan Bartel, Ann Laird, Joyce Wagner, and Marilyn Bies members of the Spring Valley Swingers Golf League as Jan teed off on 17 and scored a "Hole In One." Jan had warmed up on 16 with a Chip-In. She played a very nice round, scoring a 47 for the nine.

Iron County, Wis. has yielded many nice walleye this year and Russell Lasco is a testimony of the success.

Lasco of Antioch, and a summer resident of Indian Lake, landed a six pound, 26-inch beauty in Iron County but wouldn't say where.

Trolling deep with a Rapala, the veteran angler boated his prize on May 28 and claimed "He's still got a brother out there."

In 1978 Lasco caught a five pound, 25-inch trophy in the same spot.

Neal Carney of Antioch is eligible to win a free trip to Scotland and \$1,000 as a result of scoring a hole-in-one at Harbor Ridge.

This ace qualified Carney for the 19th annual Rusty Nail Hole-In-One Sweepstakes, a national competition sponsored by the Drambuie Liqueur Co. of Edinburgh, Scotland.

The winner will be announced early next year.

"The girl who blushes needs no make-up." Russian Proverb

Swimmers win at Woodstock

The Antioch Swim Team swam to a victory on June 28 in a non-conference meet at Woodstock.

After a few conference meet losses, the 271 to 161 final score gave the swimmers and Coach Marty Berry a jolt of confidence, especially since they had heard that Woodstock was a powerhouse team. Antioch returned with 33 blue ribbons.

Eight and under: Kim Zamudio, free and breast; Jason Bellucci, free and back; Derek Wogsland, free

and fly and Brad Celarek, breast.

Ten and under: Tom Nicholl, free and fly; Colleen Kelly, fly and Heather Schieden, breast.

Twelve and under: Brian Wogsland, IM and fly; Joel Bellucci, free; Kris Gardner, fly; Kaey Kelly, IM; Kerry Kelly, free; Derek Klein, back and Dan Zamudio, breast.

Fourteen and under: George Doughty, free and fly; Joan Bellucci, fly; Mike Fields, breast and Kim Nicholl, breast.

Eighteen and under: John Bellucci, IM and breast; Sue Harrison, free and IM; Carol Berry, back; Leslie Gallagher, breast; Sheryl Harrison, fly and Bob Sutton, back.

Unfortunately, in the two conference "B" meets held earlier in the week, Antioch didn't do as well but the following swimmers took firsts in their events on June 23 against Plum Grove:

John Bellucci came home with four blue ribbons in 16 and under: free, breast and IM and 13 and over free relay. Craig White was a triple winner in 14 and under: free, breast and IM.

Eight and under: Brett Schieden, free and breast. Ten and under: Brett Jandula, back; and Ruth Rowan, breast. Twelve and under: Katie Shepard, breast. Sixteen and under: Laura Eckert, breast and fly. Thirteen and over Free Relay, Larry Andrews, Laura Eckert, Mitch Krueck and Leslie Gallagher.

under Chris Brown, back. And in the 13 and over free relay: John Bellucci, Erin Spiegel, Mary Ann Wawro and Chris Brown.

On June 26 against Fox Point:

Diving, 16 and under: Ted White. Three triple individual winners: 12 and under: Stacy Harrison, free, IM and fly.

Fourteen and under, Julie Wierschem, back, IM and fly; and 16 and under: Mitch Krueck, free, IM and fly.

Eight and under: Brett Schieden, free and breast.

Ten and under: Brett Jandula, back; and Ruth Rowan, breast. Twelve and under: Katie Shepard, breast. Sixteen and under: Laura Eckert, breast and fly. Thirteen and over Free Relay, Larry Andrews, Laura Eckert, Mitch Krueck and Leslie Gallagher.

Don't store gas in trunk of car

Two men placed a safety gas can in the trunk of a car. They stepped a safe distance away and waited. Twenty minutes later, the rear of the car exploded.

Fortunately, in this case the explosion was just part of a safety test. But in many cases, "gas can in the trunk" explosions are not just tests.

DON'T CARRY gasoline in the trunk, is just one of the warnings given by Irene Green, university of Illinois Extension Adviser.

She points out that with soaring gasoline prices, people are tempted to store extra gasoline at home or in the car.

The only safe storage spot for small quantities of gasoline is in the vehicle or machine's tank.

If you must keep a small amount of gasoline on hand be sure you store no more than one gallon and that it be kept in a safety gas can. This kind of can is equipped with a spring-type lid that will automatically close if the can is dropped. It also has a pressure release valve that permits expansion of the fuel without damaging the can.

YOU'RE playing with dynamite keeping gasoline in makeshift containers such as glass bottles. The bottles may break and invite explosion.

Plastic containers, unless specifically designed for gasoline storage, also pose problems. Gasoline can eat away at the plastic and when you pick up the container, the bottom may fall out.

State pageant nears for Miss Antioch

The excitement is building with the Miss Illinois Pageant only two weeks away.

Miss Antioch, Lillian Foreman, attended "Super Sunday" in Aurora to begin plans for the pageant production. All 33 contestants at-

tended to review their talent for the pageant producer Ken Radtke.

The talent line-up includes several pianists, instrumentalists and dancers along with Lillian's dramatic performance.

Lillian and her chaperone, Dorothy Larson, will leave for Aurora College on Tuesday, July 17 to check in for the five day pageant. The contestants will be kept busy from morning to night with rehearsals and preliminary competition.

All contestants will compete in interview, talent, swimsuit and evening gown competition on July 19 and 20. The field of contestants will be narrowed to ten by Saturday evening for final competition and the selection of Miss Illinois. The ten finalists will not be known to anyone except the judges until the Saturday night competition.

The public is invited to attend the pageant on any night Thursday through Saturday.

For ticket information you may call Marlo Good at 395-2465 or the Chamber of Commerce at 395-3381.

Upcoming activities for Miss Antioch include an appearance at the Chamber of Commerce Summerfest on July 8. "Everyone is urged to come out and meet Lillian and wish her well in the State Pageant. Morale plays a large part in the five demanding days in Aurora and we should all let Lillian know we're proud of her and are behind her all the way," said a committee spokesman.

Lillian will also appear on the WKRS luncheon show Thursday, July 12 along with Andrea Kleban and Nancy Barr, her first and second runners-up.

Obituaries

Margaret Wendt

Private funeral services for Mrs. Margaret E. Wendt, 68, of Fox River Springs, Antioch, were held June 30 at Strang Funeral Home, Antioch.

Mrs. Wendt was dead on arrival June 28 at Lake Forest Hospital of an apparent heart attack. She was born in Sweden and had lived in Fox River Springs for the past 12 years. She had been a telephone operator for many years.

She was preceded in death by her husband, John in 1977. Surviving is one daughter, Mrs. Charles (Carol) Heiss of Lake Forest.

Interment was in Cole Cemetery, Spring Grove. Contributions may be made in her name to the American Cancer Society.

Lucille S. Bednarkiewicz

Mass of the Resurrection for Mrs. Lucille S. Bednarkiewicz, 72, of Antioch, was said July 2 at St. Peter Church, Antioch.

Mrs. Bednarkiewicz died June 29 at Victory Memorial Hospital, Waukegan. She had lived in Antioch for many years. She was a machine operator for the Western Electric Co. for many years.

Survivors are her husband, John; two sons, Sylvester and Leo; one daughter, Mrs. Edward (Virginia) Palus; 17 grandchildren; one great-grandchild; two sisters, Julia Zielinski of Tamaroa and Regina Bathon of Cicero; and one brother, Sylvester. She was preceded in death by a son, Jerome; one sister, Genevieve; and one brother, Thadias.

Entombment was in Queen of Heaven Mausoleum in Hillside. Contributions may be made in her name to the Antioch Rescue Squad.

Edward (LaRocke) Riley

Funeral Mass for Edward (LaRocke) Riley, 80, of Round Lake Beach, was said July 3 at St. Peter Church, Antioch.

Mr. Riley died June 30 at Carestoel Rehabilitation Center.

Snowmobile law okayed

State Representative Betty Lou Reed (R-Deerfield) announced the passage of the four bill legislative package proposed by the Illinois Snowmobilers Association.

The legislation permits verbal or written agreement between the snowmobiler and private landowners for snowmobiling on private property, requires that a snowmobile must cut back to idling speed within 100 feet of those engaged in other winter sports, and allows the use of snowmobiles 10 feet from the edge of county and township roads.

The fourth piece of legislation combines the snowmobile registration identification procedure into

a single process administered by the Illinois Department of Conservation effective Jan. 1, 1981.

Reed said that the 32nd District which she represents has the largest number of registered snowmobiles in Illinois, and that passage of

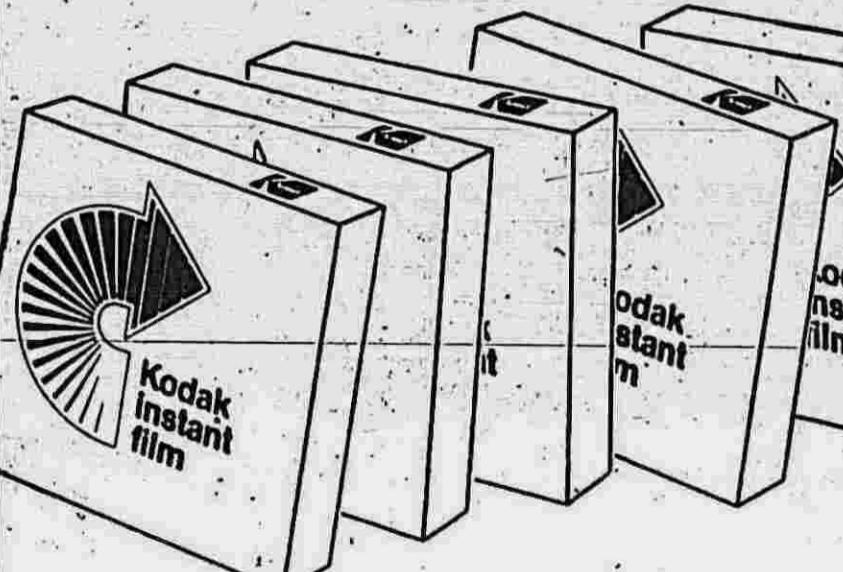

the package of legislation is significant recognition of a popular and growing family sport.

"I'm happy to have been a part of this action and to have 'represented' this segment of my constituency," Reed said.

McHenry. He had lived in Round Lake Beach since 1976. He retired in 1958 as a street car conductor for the Chicago Transit Authority. He was a member of the Catholic Order of Foresters.

Survivors are one daughter, Mrs. Charles (Mavis) LaRocke Sr. of Round Lake Beach; three grandchildren; and four great-grandchildren. He was preceded in death by his wife, Greta in 1942; by a grandson, Joseph in 1978; and by five brothers and four sisters.

Burial was in St. Joseph Cemetery, River Grove.

Christine Johansen

Funeral services for Mrs. Christine Johansen, 93, of Millburn were held July 3 at the Strang Funeral Home, Antioch.

Mrs. Johansen died June 29 at the Terrace Nursing Home, Waukegan. She was born in Denmark and had lived in Millburn for many years. She was a member of Millburn Chapter 570, Order of Eastern Star.

Survivors are her husband, Jens; and several nieces and nephews.

Burial was in Millburn Cemetery.

Gunnard D. Anderson

Funeral services for Gunnard D. Anderson, 71, of North Ave., Antioch, were held July 3 at the Strang Funeral Home, Antioch.

Mr. Anderson died June 30 at Victory Memorial Hospital. He was born in Sweden and had moved to Antioch in 1978. He was a retired spray painter.

Survivors are his widow, Marian; two sons, LeRoy of Antioch and Donald of Niles; two brothers; five sisters; and two

grandchildren. Burial was in Liberty Cemetery, Trevor.

Douglas H. Winge

Funeral services for Douglas H. Winge, 78, of Wheaton, were held June 30 at the Strang Funeral Home, Antioch.

Mr. Winge died June 28 at the Parkway Terrace Nursing Home, Wheaton. He had lived in Chicago for many years before moving to Libertyville in 1971 and to Wheaton in 1978. He was employed as a hoisting engineer for many years retiring in 1963.

Survivors are his widow, Florence (nee Schaeffen); one son, James of Libertyville; one daughter, Mrs. Nyra Wise of Wheaton; and five grandchildren. He was preceded in death by six brothers and sisters.

Interment was in Libertyville Cemetery, Trevor. Contributions may be made in his memory to the Parkway Nursing Home, 219 Parkway, Wheaton.

Jaycees thank supporters

The Jaycees were elated but not surprised at the excellent community support they received in their recent Highway Holdup project.

Wayne Salonen, president of the club said, "The Jaycees want to thank the people of Antioch, for their very generous support."

Phil Schaub, community action vice president added, "The smiles and good will we received during this fund raising project made it a good time for all."

The money raised will greatly aid the Jaycees in their work in the community. The purpose of the Jaycees is to develop the leadership abilities of the members by running projects helpful to the community.

If you would like more information about them, call R.J. Utterback at the State Bank.

Pippin comes to Antioch PM&L

The sparkling and tuneful musical comedy Pippin will be presented by PM & L on the Antioch Community High School stage on Fridays and Saturdays July 27 and 28 and August 3 and 4. Curtain time is 8:30 p.m.

Ken Smouse directs this glittering production for the first time in Lake County. After a dazzling Broadway run of 4½ years it is finally available for our own magical evening.

It is the story of an exciting quest for fulfillment during the eighth century by Charlemagne's son, Pippin. The book is by Roger O. Hirson with the music and lyrics by Stephen Schwartz.

A young and talented cast has been chosen. Mike Petersen from Gurnee plays the title role of Pippin, and Tricia Schaefer from Antioch plays the leading player. Peter Thelen from Spring Grove takes the role of King Charlemagne and Kat Poskozim from Antioch is his wife Fastrada.

Mary Kiszely plays Berthe the grandmother and Mike Connors from Antioch is Pippin's step brother, Lewis. Kim Anderson from Antioch is Catherine, the girl Pippin falls in love with and Lane Ibenez also from Antioch is her son Theo.

Chorus members are Jennifer Beese, Patti Gross, Lori Jo Rush, Janet Nordstrom, Janet Papenfuss, Jennifer Biel, Betsy and Jeff Smouse and Keith Boehme from Antioch. Also, Pam Krourek from Lake Villa, Lisa Soland from Spring Grove, Kim Parsons and Ron Kurpier from Gurnee, Patrick Bast from Fox Lake, and Dave Krostal from Lindenhurst.

Tickets are \$4 for adults and \$2 for students. Tickets will be available at the door and reservations can be made by calling 395-3055.

Davis gets doctorate

B. Diane Davis, 1809 Cedar Crest Ln., Lake Villa, received a doctor of education degree from Northern University at Commencement exercises.

Davis is the daughter of Mrs. Helen Brooks, 1919 Lakenoll, Cincinnati, Ohio.

She received her bachelor of science degree from the University of Cincinnati in 1963 and her master of science degree from NIU in 1973.

Her doctoral dissertation topic was "A Study of the Effectiveness of Transactional

Berning tells of defeated amendment

A legislative proposal designed to curb fraud in state welfare programs was narrowly defeated in the Senate, causing sponsor Senator Karl Berning (R-Deerfield) to decry the millions of tax dollars wasted annually because of a lack of adequate safeguards against fraud.

The senator's proposal, contained in an amendment to House Bill 273, would have required recipients of Aid to Families with Dependent Children and General Assistance to personally pick up their checks from local public aid or township offices.

"My amendment was designed to combat welfare cheaters who maintain numerous mailing addresses to receive fraudulent assistance checks. It's been estimated millions of dollars annually are bilked from the state in this fashion."

"My amendment would have assured some degree of accountability, requiring those receiving benefits to appear in person at a government office to pick up their checks," Berning said.

The amendment contained a provision exempting persons physically unable to appear in person.

"I am extremely disappointed the amendment was defeated by only one vote. The legislature must make an effort to close the loopholes in government programs involving assistance payments.

"Bilking schemes are

becoming more ingenious and more common and they are taking an increasing amount of tax dollars. Rather than dismissing the loss as something to be expected, I feel strongly every effort should be made to halt such fraudulent practices," Berning said.

Berning was also the sponsor of another measure, Senate Bill 1264, which would have required persons receiving unemployment insurance benefits to appear in person every other week at a state employment office to receive their checks.

That bill passed the Senate, 57-0, but was killed in the House Labor and Commerce Committee on a party line vote.

"Every Republican on that committee voted for the bill and every Democrat voted against it. Since Democrats hold a majority on the committee, the bill was defeated.

"The legislation was designed to insure that recipients of unemployment insurance actually stay in the state and look for work. With the current system of mailing checks, some recipients leave the state to vacation. About \$50 million a year goes out of state to these individuals," Berning explained.

"I was hoping the importance of both these proposals would have transcended partisan politics, but it appears that wasn't the case."

BUDDY POPPY DAYS DRAW NEAR — Steve and Catherine Straukas help Buddy Poppy chairmen for the Sequoia Auxiliary and VFW Post 4551 Lillian Burnette and Commander Jim Egem finalize plans for the

busy days ahead. Steve is the junior vice commander Sequoia Post 4551 and Catherine is a guard in the auxiliary. Poppies will be sold July 6 and 7.

Initiate 'Outreach' dates

Dennis P. Ryan, Lake County State's Attorney, has announced the establishment of a community "Outreach" program as an extension of the Intake Coordinator service offered the public by his office.

The Intake Coordinator program was established by Ryan to aid the public in the area of speedy problem identification and resolution. The staff members assigned to this responsibility ascertain the citizens' needs for assistance, identify and define their problems and refer them to an attorney in the State's Attorney's Office, or when appropriate, to other qualified agencies.

"SINCE ITS establishment shortly after I took office, the Intake Coordinator service has proven to be of great value to those who have come to our office," Ryan stated. "However, it has become apparent that many Lake County citizens may still be unaware of these services or have difficulty coming to our office in Waukegan during regular working hours."

To make the service more readily available, Ryan is bringing it to the communities in Lake County on a rotating basis throughout the year. "We are bringing the services of the Intake Coordinators to the public in a more convenient fashion," the State's Attorney said.

With the approval of local

mayors and village boards, provision has been made for a small meeting room in certain communities to enable the coordinators to visit each area of the County Saturday mornings at least twice each year. The communities were selected in conjunction with staff of the Lake County Planning Dept., as "population centers".

"MANY PEOPLE who come to our office seeking help are uninformed about the services provided by the state's attorney, and," according to Ryan, "need direction and guidance to ascertain whether they need these services or those provided by other community agencies".

"We have found that this procedure enables all of our staff to respond to citizen inquiries and grievances in a more thoughtful and productive manner", Ryan asserted.

UNDER THE "Outreach" program, Intake Coordinators from State's Attorney Ryan's office are scheduled to be in these communities between the hours of 9 a.m. and noon on Saturdays as indicated:

August 11, Wauconda, Grayslake, 100 Main, Wauconda; 164 Hawley St., Grayslake.

August 18, Mundelein, Libertyville, 441 E. Hawley, Mundelein; 200 E. Cook, Libertyville.

Sept. 13, Fox Lake, An-

tioch, 50 E. Ernest, Fox Lake; 874 Main, Antioch.

Dec. 8, North Chicago, 1850 S. Lewis, North Chicago.

Feb. 9, Wauconda and Grayslake; Same as above.

March 8, Mundelein and Libertyville, Same as above.

April 12, Fox Lake and Antioch, Same as above.

Additional dates will be announced periodically through the cooperation of the news media. The offices of the mayors of each community, welfare and counseling agencies, schools and

other interested parties will be notified by mail. Citizens can obtain additional information by calling Millicent Berlant, office of the state's attorney, at 689-6644.

VA declares war on alcoholism

The Veterans Administration is launching a concerted scientific attack on alcoholism with the naming of an elite team of medical investigators to study its causes.

VA chief Max Cleland said the 11 researchers will undertake a million dollar-a-year search for the biochemical, genetic and pharmacological roots of the disease.

The expanded research program is in addition to the extensive alcoholism services already part of VA's medical treatment programs for veterans.

Commenting on the high priority project, Cleland said, "I am confident the distinguished individuals who will conduct this important research will make an immense contribution to our knowledge of this crippling affliction.

"While we in VA are primarily concerned with the well-being of our nation's veterans, this is the type of research that can benefit our society as a whole, and mankind in general," he said.

The 11 individuals awar-

ded research grants were selected from 85 applicants who responded to announcements of the VA project in technical and medical journals and through medical schools across the country.

Applications were restricted to investigators not already employed by the agency in order to bring additional high quality research in alcoholism into the VA system.

The selection was made by a team of specialists under the leadership of Dr. Marcus Rothschild of VA's Medical Research Service.

ACHS CLASS OFFICERS — Junior Class officers chosen for Antioch High School year, '79-80, include from left, back row, President Laura Stalley, Vice President Dee MacDonald, Secretary Jennifer Bowman, Treasurer Rita Singh; and front row Representatives Beckie Boehm, Sherry Greear, John Shea and Cathie Miller.

Sprint cars making local appearance at Wilmot

Sprint car racing action will be featured in a special 1000 to win series of seven events topped by two feature races on Thursday night July 5 at the Kenosha County speedway, Wilmot, Wisconsin.

Champion Shane Carson, Oklahoma City, Okla., with several wins already this season, will lead a field of 40 or more drivers in the first sprint car action ever held on the third mile clay oval.

The field will include Doug Wolfgang, Lincoln Neb. who is recognized as the winningest sprint car driver in America.

He has won on speedways from Florida to Washington and will drive the famous Bob Trostle sprinter from Des Moines, Ia.

Other National driving stars include Johnny An-

derson and Jimmy Boyd, California; Mackie Heimbau, Randy Smith, Ralph Blackett, Mike Thomas, Dave Butler, all from Des Moines. Bill Robinson, Topeka, Kan.; Bill Hetrick, Carman; Jerry Blundy, a four time IMCA sprint car champion from Dahinda; Sonny Symser, Lancaster, Mo.; Wayne Kronk, Fulton, Mo.; Eddie Leavitt, Kearney, Mo.; Bill Utz, Sedalia, Mo. plus many others.

Local area Wilmot driving stars will include Champion Bob Robel, Oconomowoc; Joe Kristan, Waukegan; track record holder John Tierney, Lake Villa; Jim Moulis, Johnsburg; Dick Colburn, Muskego, a former two-time Wilmot Champion; Joe Fote, Oak Creek and Rick Schmidt, Racine.

Tierney, who also holds

track records at the Waukegan Speedway, the Hales Corners Speedway and the Beaver Dam Raceway holds the Wilmot record.

It will be the first sprint car races ever held on the new one-third mile speedway on the Fairgrounds in Wilmot.

Following the Thursday night races, the super-modifieds will race in a special 35 lap mid-season

championship race on July 7. The Kenosha County Speedway is located on the Fairgrounds in Wilmot one-quarter mile north of the junction of Wisconsin County Highways, "C" and "W".

To reach the track, take I-94 to Highway "C" and west to Wilmot.

Time trials will be 7 p.m. with the first race at 8 p.m. Spectator stock cars will also race in three added events.

Dug Out no-hitter

Tom Houghton of Round Lake pitched a no-hitter Thursday, June 28 in the Men's 16" softball league at Dug Out Park in Trevor.

Houghton combined with battery mate Tom Furlan of Trevor to give up just one walk, in the third inning, to Dave Koch of the Advertiser enroute to the 12-0 victory for Dug Out Inn in the five inning contest.

The only other runner to reach base for the Advertiser was Dave Deboer who was safe on an error in

the third inning.

"Excellent infield play for the Dug Out by Brian Philbin, Mike Callanan, Kevin Peterson, Larry Turner and Don Houghton contributed to the effort," said a pleased Furlan.

The last no-hitter at the Dug Out was by Carol Furlan in May of 1977 and she also had one in July of 1976.

The last men's no-hitter was by Scott Thode in July of 1977.

championship race on July 7. The Kenosha County Speedway is located on the Fairgrounds in Wilmot one-quarter mile north of the junction of Wisconsin County Highways, "C" and "W".

To reach the track, take I-94 to Highway "C" and west to Wilmot.

Wilmot rained out Wed.

Rain caused a postponement of the modified, late model sportsman and spectator stock car races at the Kenosha County Speedway, Wilmot, Wednesday night June 27.

Saturday, July 7, the super-modifieds will race in a 35 lap mid-season championship race. The sprint cars will be in action in a special National Speedways event on Thursday night July 5.

SPRINT ACTION — Shown in the close racing action of the sprint cars are three of the drivers who will be in the 40 or more car field at the Kenosha County Speedway, Wilmot, on Thursday night, July 5. In the number 8 sprinter is Gary Scott, Holts Summit, Mo. as he gets his front wheel inside the rear wheel of Number 56, driven by Bill Utz, Sedalia, Mo. Almost covered by the huge wings on these sprinters but very much in this race, is Eddie Levitt, Kearney, Mo.

VA declares war on alcoholism

The Veterans Administration is launching a concerted scientific attack on alcoholism with the naming of an elite team of medical investigators to study its causes.

VA chief Max Cleland said the 11 researchers will undertake a million dollar-a-year search for the biochemical, genetic, and pharmacological roots of the disease.

The expanded research program is in addition to the extensive alcoholism services already part of VA's medical treatment programs for veterans.

Commenting on the high priority project, Cleland said, "I am confident the distinguished individuals who will conduct this important research will make an immense contribution to our knowledge of this crippling affliction.

"While we in VA are primarily concerned with the well-being of our nation's veterans, this is the type of research that can benefit our society as a whole, and mankind in general," he said.

The 11 individuals awar-

ded research grants were selected from 85 applicants who responded to announcements of the VA project in technical and medical journals and through medical schools across the country.

Applications were restricted to investigators not already employed by the agency in order to bring additional high quality research in alcoholism into the VA system.

The selection was made by a team of specialists under the leadership of Dr. Marcus Rothschild of VA's Medical Research Service.

ACHS CLASS OFFICERS — Junior Class officers chosen for Antioch High School year, '79-80, include from left, back row, President Laura Stalley, Vice President Dee MacDonald, Secretary Jennifer Bowman, Treasurer Rita Singh; and front row Representatives Beckie Boehm, Sherry Greear, John Shea and Cathie Miller.

Sets of twins join Fair Queen competition

The entry list for the Lake County Fair Queen contest now has reached 24 with the deadline nearing for application.

Competition among the 24 candidates will include two — not just one, but two — sets of twins in the competition and will end with the crowning of the 1979 queen on the opening night of the 51st annual Lake County Fair at 8 p.m. on Wednesday, July 25.

The deadline for entries is Monday, July 9. Entries must be submitted to the Lake County Farm Bureau Office on Rte. 45 next to the fairgrounds, just north of Rte. 120.

They can be mailed to Richard Raftis, P.O. Box 348, Grayslake, Ill. 60030. Applicants must submit name, address, phone number, school attending or occupation, date of birth, and an unframed photo.

The two sets of twins, who are among the newest entries, are Robin and Rinda Samkus, rural Wauconda, and Linda and Diane Vlasak, Gages Lake. All are 17.

Other new entries are April Marie Oaks,

16, Lindenhurst; Barbara Mara, 18, Vernon Hills; Cheri von Daeniken, 17, Grayslake; Jill Ann Skradski, 18, Lindenhurst; and Diane Marie Matuske, 18, Wauconda.

The previous list of candidates included Pamela Steinke, 19, Wadsworth; Dawn Rhoades, 18, Grayslake; Pattie Ann Helke, 18, Deerfield; Carey Beth Anderson, 20, Hawthorn Woods; Marianne Hansen, 17, and Lori Froat, 19, Fox Lake; Vicki Cawthon, 17, Mary Herman, 19, and Donna Lynn Witten, 18, Libertyville; Laura Anne Remdt, 17, Lake Forest; Theresa Conner, 18, and Robin Lynn Barnette, 17, Mundelein; and Michelle Thompson, 17, Lori Schaefer, 18, and Sonja Marie Peters, 18, Zion.

In order to be eligible contestants must be a resident of Lake County. Candidates must be single and never have been married, divorced or had a marriage annulled. It is also understood that contestants can not have had a child.

Girls must be between 16 and 22; they can't

have achieved their 22nd birthday by Jan. 1, 1980.

No professional models will be eligible. However, a mere attendance to a charm school or a girl receiving expense money for modeling will not be classified a professional.

Judging will be July 11-12 with nearly 40 or more girls expected to compete. The field will be cut to the final seven, who will return to the Lake County Fair where the queen will be crowned to officially open the fair and the two runners-up will be named.

The initial judging (not open to public), will be Wednesday, July 11, when the field will be narrowed down to the final 15. On July 12 will be the swimsuit and evening gown competition; this field will be cut to the final seven.

Debbie Willett, the 1978 Fair Queen, who will crown the new queen, will assist in the preliminary judging.

Judges include State Rep. Donald Deuster, Mundelein; Rhonda Kay Pierson, Zion, 1977 queen; Mrs. Mark Fields, Libertyville; Mrs. Betty Russell, Volo, Farm Bureau Women's chairperson; and Charles Isely III, Waukegan-Lake County Chamber of Commerce president.

The queen is eligible for a \$500 scholarship at the conclusion of her reign along with other momentos for representing the Lake County Fair. The runners-up also receives momentos.

The Lake County Fair runs from Wednesday, July 25, through Sunday, July 29. Highlighting the many activities over the five days will be the super coupon drawing Wednesday night, disco dance contest Thursday night, rodeo Friday and Saturday nights, and demolition derby Sunday evening.

Full details on the fair activities will be given in this newspaper later.

Try growing herbs, it's fun and easy

There is a renewed interest in growing herbs, says Bob Schmerbauch, Lake County extension adviser.

Whether you're inspired by the nostalgic past or the fact that those herbs on the grocer's shelf cost more today, this may be the year you want to try your hand at herb gardening.

Parsley, chives, mint, sage, basil, thyme, dill and tarragon are herbs commonly grown in home gardens, adds Schmerbauch. If this is the first time you've tried growing herbs, start with five or six kinds that you like or have always wanted to try.

IF YOU CHOOSE chives, mint, horseradish or sage, plant them in a permanent location. These plants are perennials that will either self-seed or come up from the roots every spring.

Most other herbs must be sown from seed each year. These annuals include basil, dill, summer savory and sweet marjoram. Parsley is a biennial that will self-seed

every two years if the plants are left to mature.

Herbs are versatile plants that can adapt to many kinds of plantings. They can be planted in plots like a garden or integrated into the landscape with ornamental plantings. They also can be grown in patio containers, hanging baskets or treated as houseplants.

IF YOU ARE PLANTING your herbs in a garden area, prepare the soil as you would for a vegetable garden. Herbs can be planted as a border around the edge of the garden. Low basil, savories and thyme furnish attractive edgings around beds of vegetables.

Some herbs are available in cultivars — varieties — with colorful or variegated foliage. Variegated or white-margined cultivars of basil, sage and thyme can add ornamental borders around trees and shrubs. Creeping varieties of mint or thyme can add aroma as well as color to a walkway, adds

Schmerbauch.

Most herbs will grow well in containers on the patio or on a sunny window sill. Use a pot at least six inches in diameter and eight inches deep, with drainage holes in the bottom. Herbs grown in containers must be watered frequently. Or try setting the pots in trays filled with one or two inches of moist sand or pebbles for additional humidity around the plants.

Most herbs must have at least six hours of sun daily. Mint, basil and lemon thyme can tolerate partial shade. And don't give up if your soil isn't the greatest. Herbs will usually thrive even in rocky soils.

Most garden centers handle transplants and seeds of popular herbs, concludes Schmerbauch.

READY, SET — Craig White, lane three, of Antioch Swim Team is ready to go during team's first swim meet. Team's annual swim marathon last year raised funds to finance starting blocks. Team will be holding marathon this year on July 11. — Photo By Bill Schroeder Jr.

Watch those power lines

Now is the time those projects planned last winter are becoming realities. Commonwealth Edison has some advice that can insure the satisfaction of a job well done without risk if that do-it-yourself project is the installation or work on an antenna, digging fence post holes, or the planting of

trees.

Edison urges that a safe distance be maintained from power lines when installing or working on an antenna. Contact with electric facilities by person, antenna or metal stepladder can result in serious injury.

If your home is served by underground electric cables,

it is wise to have Edison mark service lines before you start digging to plant that tree or make fence post holes.

When it comes to power lines, whether overhead or buried, it always makes sense to practice safety. In addition to the serious personal injury that can result from

contact with an electrical power line, a mishap can cause thousands of dollars in damages, too.

It could also interrupt the power supply to the immediate neighborhood or across a widespread area, which may include hospitals and other vital locations.

HARTNETT GRADUATES

Elizabeth A. Hartnett received a bachelor of arts degree in economics and management from Beloit College. Hartnett, one of 189 students receiving degrees, is the daughter of Mr. and Mrs. William E. Hartnett, Antioch.

LOAN INSURANCE CORPORATION

Your Best Investment!

Over the past ten years, the best investments for most investors have been their homes and their investments in high yielding certificates of deposit with a savings & loan association. You probably know how much your home value has increased. But, do you know how your deposits at Antioch Savings have grown as compared to other forms of investment? For example, earnings on Antioch Savings' longest term CD's have almost always out performed the return received on the market average for industrial, transportation, or utility stocks over that term. Also, you should be aware that those stocks were worth less than their original purchase price more than fifty per cent of the time. At Antioch Savings, your funds are continually growing at high interest rates and are insured to \$40,000 by the Federal Savings & Loan Insurance Corporation. Doesn't it make sense to invest your funds at Antioch Savings?

New Passbook **5 1/2%** Rate

Now your funds will grow faster than ever before in an Antioch Savings Passbook Account. Beginning July 1, Antioch Savings is offering 5 1/2% on its Passbook Account! That's the highest rate ever paid on passbook savings in history!

New 4 Year CD & More

Beginning July 1, we're offering a new "4 year" Money Market CD which is tied to the average four year yield on U.S. Treasury Securities (1% below). Also, you'll be pleased to know that the minimum amount required to open any Antioch Savings Certificate Account (except 6 mo. Money Market CD) has been reduced to \$500. Drop by or call for important details.
